Sub.:- Resentment of Traders against the proposed Survey of GST Registrations/ Numbers in the City.

Dear Sir,

It is submitted that traders have taken GST number after submitting proper documents. Traders are filing their required returns and paying due GST regularly as per schedule prescribed by the competent authorities. GST collection is increasing every month as dealers are paying the GST honestly.

Hence there is no reason to do general verification of GST numbers again as being prescribed in newspaper reports. We have no objection to the department doing verification of a fake dealer who is making loss to Govt. revenue by issuing fake bills.

But doing general verification of dealers will be against the law and it will create atmosphere of fear amongst the dealers. Hope this will not be done by department to avoid undue harassment to honest and law abiding dealers and also we expect nothing will be done which will bring resentment to the traders in the city.

Thanking you,

Yours faithfully,
