Municipal Corporation
Chandigarh (U.T.)

Dear Madam,

On behalf of the traders of the City, Chandigarh Beopar Mandal is pleased to extend a warm welcome to your Good self as the new Joint Commissioner Municipal Corporation, Chandigarh (U.T.).

Chandigarh Beopar Mandal is the sole apex registered body of traders of the City Beautiful. This is a non political welfare body founded in the year 1992 and it constitutes representatives from around 80 Market Welfare & 45 Trade Welfare Associations of the city. Our website is www.cbmonline.in

The Aims and Objective of Chandigarh Beopar Mandal are unity amongst traders, welfare of the traditional Markets and the traders of the city by maintaining a good liaison with Chandigarh Administration, Municipal Corporation & other related Govt. departments for the purpose of achieving healthy growth of business by ensuring satisfaction of the consumers.

Chandigarh Beopar Mandal is also associated with many charitable works and has been a very significant contributor towards relief during National Calamities. We in association with market Association keep on organizing Blood Donation-Medical Camps, Seminars, Awareness campaigns & other charitable works from time to time. Recently we have we organized a Blood Donation Camp in the memory of our founder President.

The sector markets require beautification, up gradation and cleanliness to complete with shopping malls and megastores which are opening in and around the city. Market should be provided with fancy lights, dustbins and tiles where broken should be replaced and toilets should be renovated and properly maintained.

Parking problem in the city markets is increasing day by day. Apart from Sector-17, other markets of the city also need expansion of parking facility either by way of multistory parking or surface community parking or underground parking beneath existing parking area and adjoining roads. As unauthorized Vendors are occupying parking space and public pathways in the markets, so they should be shifted to vendor zones which are lying vacant.

We, the representatives of the trading community of Chandigarh assure you full cooperation in all positives steps taken by the Corporation as well as other welfare activities undertaken by your good self for healthy growth of Commerce in the City.

Thanking you,
Yours Faithfully,

(Sanjeev Chadha)
